> Valore aggiunto è la possibilità di impiego su pannelli di differenti materiali e spessori.

Sono quindi stati sviluppati tre differenti punti di attacco:

- 1 punto di attacco a spessore variabile 0,0 - 20,0 mm
- 2 punto di attacco su legno
- 3 punto di attacco su vetro

GREAT TECHNOLOGY FOR A SIMPLE USE The added value of Kode 03 is that it can be used with panels of different materials and thickness.

Three different attaching points have been developed:

- 1 attaching points of varying thickness from 0,0 to 20,0 mm
- 2 attaching points on wood
- 3 attaching points on glass

Kode.03

più piccolo del mondo

the smallest in the world

Kode3 è un sistema a punti di aggancio. La sua caratteristica principale è di avere degli elementi di attacco di dimensioni estremamente ridotte. Questa caratteristica è fondamentale negli spazi architettonici dove minimalismo ed eleganza sono i concetti base.

Kode 03 is an attaching point system. Its main characteristic is having attaching elements extremely small in size. This characteristic makes it particularly suitable for architectural spaces where minimalism and elegance are basic concepts.

Kode.03

accessori con attacco ad espansione

> Facilità ed immediatezza nell' utilizzo. Sono questi i principi che contraddistinguono la gamma di accessori con movimento ad espansione. Le gancere e le mensole dei piani sono realizzate in alluminio anodizzato. Il meccanismo tecnologico, integrato negli accessori, consente a Kode 03 un'elevata resistenza in termini di carico esposto.

ACCESSORIES WITH EXPANSION ATTACHMENT

The main feature of this range of accessories with expansion attachment is that they are easy to use.

Hook racks and brackets are made of anodized aluminium. The technology used for these accessories allow a high capacity load.

Kode.03

accessori con attacco a vite

> L'ampia gamma di accessori specifici Kode 03 attacco a rotazione, è stata studiata per soddisfare esigenze espositive molto ampie. Sono particolarmente curati ergonomia, design e funzionalità dei componenti. Robustezza e precisione sono garantiti grazie al meccanismo estremamente affidabile della vite. Tutti gli accessori con attacco a rotazione possono essere impiegati direttamente su fori filettati realizzati su strutture metalliche.

ACCESSORIES WITH SCREW ATTACHMENT

The wide range of Kode 03 accessories with screw attachment is designed to meet any exhibition needs.

A special care is due to ergonomics, design and functionality.

Strength and precision are guaranteed by the efficient mechanism of the screw.

All the accessories with screw attachments can be used with threaded holes made on metal frames.

Kode.03

Kode 03 è il sistema ideale in ambienti con un'estetica fortemente caratterizzata dall'impiego di materiali e finiture ricercati.

Kode 03 is particularly suitable for high quality materials and finishes.

La possibilità di impiego su materiali differenti tra loro come il vetro e la lamiera permette, con un unico sistema, di risolvere situazioni espositive complesse.

A wide range of exhibition needs can find a solution by using Kode 03 with different materials, such as glass and sheet of metal.

health a

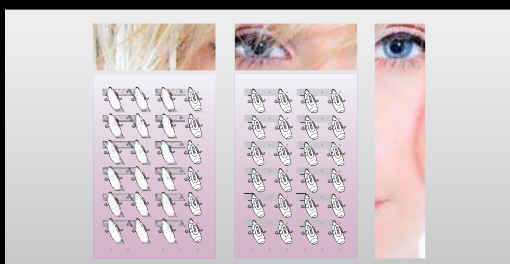

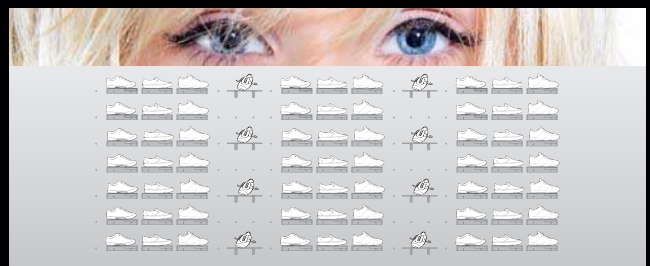

Non esistono più limiti progettuali nell'impiego di materiali innovativi o soluzioni speciali di visual merchandising. I punti di attacco kode3 si integrano discretamente in pareti espositive innovative.

There are no longer limits by using Kode 03 with different materials or special solutions for visual merchandising. Kode 03 attaching points amalgamate perfectly with innovative exposition walls.

Punti di attacco così piccoli e dal costo limitato permettono di realizzare schemi di merchandising con qualsiasi passo forma e densità.

Attaching points so small and cheap allow to create exposition areas in accordance with any requirement.

CONDIZIONI GENERALI DI VENDITA**1) ORDINI**

L'ordine assume validità ed è vincolante per ACQUIRENTE dal momento in cui è pervenuto a CEAN, per trasmissione scritta e telematica, direttamente da ACQUIRENTE stesso ovvero attraverso agenti o intermediari di CEAN. CEAN si riserva la facoltà di richiedere una formale conferma scritta per qualsiasi ordine. CEAN avrà sempre facoltà di rifiutare l'ordine ovvero di richiederne modifiche e/o adeguamenti. L'ordine sarà impegnativo per CEAN solo se dalla stessa confermato mediante accettazione scritta a mezzo conferma d'ordine.

2) PREZZI

I prezzi si intendono netti di IVA. Gli stessi potranno essere modificati a seguito di variazioni dei costi di mano d'opera e/o materie prime. Tali modifiche verranno notificate per iscritto. I prezzi non comprendono prestazioni ed oneri non espressamente menzionati e si intendono al netto di imposte, tasse e spese di ogni genere.

3) TERMINI DI CONSEGNA

Il termine di consegna, secondo la categoria di prodotto, è previsto in due o tre settimane a decorrere dall'arrivo dell'ordine. Il termine di consegna si calcola sempre in giorni lavorativi e per ordini relativo a prodotti già codificati e comunque per ordini pervenuti entro le ore 12 del giovedì. Nel caso in cui, durante l'esecuzione del contratto, ACQUIRENTE chieda modifiche dell'ordine, il termine di consegna si intenderà conseguentemente e/o adeguatamente prorogato e comunque dovrà essere nuovamente concordato con CEAN.

4) SPEDIZIONE E TRASFERIMENTO DEL RISCHIO

La consegna della merce si intende sempre eseguita franco stabilimento presso la sede CEAN e sarà sempre effettuata a rischio di ACQUIRENTE.

5) IMBALLAGGI

I prodotti oggetto della fornitura saranno opportunamente imballati ed approntati per la spedizione secondo la migliore tecnica e con la cura che la natura dei prodotti consiglia, in riferimento alla protezione richiesta per condizioni normali di trasporto. Resta comunque inteso che i prezzi indicati nei relativi listini e cataloghi di CEAN si intendono riferiti a "merce nuda", e comprendono le forme ordinarie di imballaggio sopracitate.

6) TERMINI DI GARANZIA

CEAN vi concede garanzia per la durata di 6 (sei) mesi dalla data di consegna sui propri prodotti ad esclusiva copertura di difetti dei prodotti riconducibili a difetti di fabbricazione. I materiali da riparare o da sostituire debbono essere riconsegnati nella sede della CEAN a spese di CEAN, entro e non oltre 60 (sessanta) giorni dalla data di denuncia. ACQUIRENTE dovrà denunciare per iscritto, a CEAN, qualsiasi difetto di conformità dei prodotti entro e non oltre 45 (quarantacinque) giorni dal ricevimento dei prodotti stessi. L'autorizzazione al reso non costituisce in alcun modo riconoscimento di vizi o difformità che dovranno essere accertati e provati in conformità alle disposizioni generali in materia.

7) PAGAMENTI

Decorrono e sono dovuti dalla data di scadenza del termine di ogni pagamento e per tutto il periodo di mora, senza necessità di alcuna previa costituzione in mora, gli interessi di mora nella misura dell'EURIBOR maggiorato di 5 (cinque) punti; verranno del pari addebitati gli interessi commerciali suddetti sui regolamenti cambiari per la frazione eccedente la scadenza pattuita nonché sulle azioni di regresso per titoli insoluti, esperibili mediante emissione di tratta di rivalsa.

8) FORO COMPETENTE

Per qualsiasi controversia relativa alle vendite regolate dalle presenti condizioni generali, sarà competente soltanto il foro avente giurisdizione nella sede legale di CEAN, anche in deroga a quanto disposto dagli articolo 32 e seguenti del Codice di Procedura Civile. Detta competenza non sarà derogata neppure dalla emissione di tratte, accettazioni o effetti cambiari domiciliati presso ACQUIRENTE. E' inoltre esclusa per ACQUIRENTE ogni possibilità di adire l'Autorità Giudiziaria di altro luogo anche in via di garanzia o in connessione di causa.

GENERAL TERMS OF SALE**1) ORDERS**

The Order is valid and binding upon the PURCHASER at the time of its arrival at CEAN directly from the PURCHASER or via the agents or sellers of CEAN, or via notification in writing, via telephone or computer. However, CEAN reserves the right to request formal confirmation in writing for any Order. CEAN shall always be entitled to reject the Order or to request any changes and/or adjustments. The Order will be binding on CEAN only if confirmed by acceptance in writing via order confirmation.

2) PRICES

Prices are not inclusive of VAT. These can be changed following variations in the cost of labour and/or raw materials. Such changes will be notified in writing. The prices do not include charges and fees not expressly mentioned and are intended free of levies, taxes and other expenses.

3) DELIVERY TERMS

Except as otherwise agreed, according to the type of product of the delivery term is two or three weeks, after the arrival of the Order except as otherwise provided in the confirmation. The delivery term is always calculated in business days and for Orders concerning already coded products and in any case for Orders arrived by 12 on Thursday.

4) DELIVERY METHOD – SHIPPING AND RISK TRANSFER

The goods delivery is intended ex works from CEAN. Any dispatches shall always be made at risk of the PURCHASER.

5) PACKAGING

The products to be supplied shall be appropriately packaged and prepared for the shipping according to the best technique and wish such care as requested by the nature of the products, with respect to the protections necessary for normal shipping conditions. However, it is understood that the prices mentioned in price lists and catalogues of CEAN are referred to "bare goods" and include the ordinary methods of packaging mentioned above.

6) WARRANTY

CEAN grants warranty on its products for the terms of six months from the delivery date by way of exclusive cover of any defects of fabrication found thereon. The material to be repaired or replaced have to be returned to CEAN at CEAN expenses, not later than 60 (sixty) days from the date of notification. The PURCHASER shall notify to CEAN, in writing any defects of conformity of the products not later than 45 (forty-five) days from the reception of the same products. The authorization to be return does not represent, in any way, any acknowledging of failures or non-conformity, which shall be ascertained and verified in compliance with the relevant general regulations.

7) PAYMENT TERMS

Without any prior pledge, any overdue interest equal to the EURIBOR rate plus 5 (five) points is due starting from the date of expiry of every payment term and throughout the overdue period. The above mentioned commercial rates on the exchange regulations as to the fraction exceeding the established term as well as on the actions of regress due to unsolved stocks, implemented through issuing of redraft, will be equally charged.

8) JURISDICTION

CEAN only shall be granted the faculty to submit as a plaintiff an action before the ordinary judiciary authorities, regarding the payment of the supplies price, in CEAN or in the purchaser national competent court, also as a departure from the provisions of the articles 32 and following of the Civil Code procedure. This competence shall undergo departures neither after issuing of draft, acceptations nor exchanging bills domiciled at the PURCHASER. Furthermore, any possibility of accepting the Judicial Authority of other place, even if as a guarantee or in connection of cause, is excluded to the PURCHASER.
